City Council Goal

Vision and Action Plan for Corvallis

Using an engaged community process, create a new Corvallis Vision and Action Plan 2040 by December 2016. The resulting plan will include an aspirational vision, an action plan for the City and community partners that is achievable and measureable using a livability index, and a method for regular evaluation and necessary revision. The vision and action plan will be the foundation for necessary work on other City plans.
